DON'T LIVE UP

when I'm gone, move on
fresh lawn, new dawn
but first promise to dwell on my songs
listen, yes oh listen

dry eyes, blue skies, over rated
never want to feel sedated
listen, listen, oh listen

when you put out what don't come back
say they'll never recognize, never understand
that you're living the dream but it don't live up
DON'T LIVE UP
I said it don't live up
DON'T LIVE UP

train of thought is up against a force of habit
imposition repetition
oh listen

I still drop my pick in the hole
I can help you repair your soul through repetition
oh listen, listen to me now...

when you put out what don't come back
say they'll never recognize, never understand
that you're living the dream but it don't live up
DON'T LIVE UP
and what you reap is not what you sowed
you're stuck always driving from the back seat, so
you're living the dream but it don't live up
DON'T LIVE UP
I said it it don't live up
DON'T LIVE UP
one more time, DON'T LIVE UP
DON'T LIVE UP

living the dream but it don't live up
don't live up
living the dream but it don't live up
it don't live up
living the dream but it don't live up
don't live up

STUPID DREAM

I know this girl she never seems to let the world get underneath her perfect skin
I asked her once just how she did it, she said
“when I can I clear my head and when I can not, I mess it up instead
it’s just a useless, stupid dream”

OH NO!

I’M A FORMIDABLE BEING!
BUT DO I REALLY HAVE MEANING? OH NO NO
OR UNDERSTANDING OF WHAT I CALL ‘MYSELF’?
OR DID I FORGET A PAST LIFE
AND FIGURE OUT IT’S JUST A USELESS, STUPID DREAM
I AM NOT THE CREAM OF THE CROP, OH NO

DESTROY IT

I forget, did I misplace my head?
I must remember what she said about the way one can transcend beyond the living dead
she said,
“when I can I clear my head and when I can not, I mess it up instead
it’s just a useless, stupid dream”

OH NO!

I’M A FORMIDABLE BEING!
BUT DO I REALLY HAVE MEANING OH NO NO
OR UNDERSTANDING OF WHAT I CALL ‘MYSELF’?
OR DID I FORGET A PAST LIFE
AND FIGURE OUT IT’S JUST A USELESS, STUPID DREAM
I AM NOT THE CREAM OF THE CROP
& I AM NEVER RISING UP

OH NO!

DESTROY IT

when I can I clear my head and when I can not, I mess it up instead
oh, when I can I clear my head and when I can’t I mess it up instead

I’M A FORMIDABLE BEING!
BUT DO I REALLY HAVE MEANING OH NO NO
OR UNDERSTANDING OF WHAT I CALL ‘MYSELF’?
OR DID I FORGET A PAST LIFE
AND FIGURE OUT IT’S JUST A USELESS, STUPID DREAM
I AM NOT THE CREAM OF THE CROP
& I AM NEVER GONNA STOP
IF I GET KNOCKED DOWN BETTER GET BACK UP

AND IF THEY SAY NO WELL THEN I'LL SAY YEP
OH NO,
DESTROY IT

YAWN TEARS

These are yawn tears, I'm not crying
for the precision of decisions that I've made in my time
I am young still, hard as a rock
watch the moon rising with my hand on my cock

cuz what's ahead and what's behind you doesn't matter too much

when you're looking up
and I'm looking up

my old man still thinks I'm great no matter what I do no matter what I say
I even cry, yeah, I cry sometimes
for what's ahead and what's behind

I said what's ahead and what's behind
well they don't matter too much
I said don't pay them no mind
you should be looking up
I'm looking up

what's ahead and what's behind you doesn't matter too much
what's ahead and what's behind you shouldn't matter too much

when you're looking up
I'm looking up

DON'T WORRY NOW

DON'T WORRY NOW DON'T WORRY NOW DON'T WORRY NOW
DON'T WORRY NOW DON'T WORRY NOW DON'T WORRY NOW DON'T WORRY NOW
DON'T WORRY NOW DON'T WORRY NOW DON'T WORRY NOW
DON'T WORRY NOW DON'T WORRY NOW DON'T WORRY NOW
DON'T WORRY NOW DON'T WORRY NOW DON'T WORRY NOW DON'T WORRY NOW
DON'T WORRY NOW DON'T WORRY NOW DON'T WORRY NOW DON'T WORRY NOW
DON'T WORRY NOW DON'T WORRY NOW

DON'T WORRY NOW ■

WHEN THINGS GET POINTLESS I ROLL AWAY

I feel like it's nice to think the world falls apart when I go to sleep
yeah, I like to think the world comes together the second I wake

and if I don't write this down, just the way I feel. Explain to everyone why this is a big deal
A new thought from me for everyone to see. If I could just explain...
I've lost my point, I'll roll away

so what, I'm over it
when things get pointless, I roll away
email me why I'm a waste
hormones plus memories form your taste

and now I can't live up to something that's tied up in so much more than my subjective art
this kid has been confused to think objective truth exists inside a song I never even knew
I've lost my point...

I'll roll away

I feel like it's nice to think the world falls apart when I go to sleep
yeah, you like to think we'll come together when we wake
and we'll roll away

but I confused it too when I was seventeen but the singers never knew the types of false
meaning I hung upon their songs, but was it really wrong
I could go on and on and on...
I've lost my point
I've lost my point...
I'll roll away

& ON & ON & ON

& on & on!
I write to you, to tell you true
NOT that I used to be just like you
because I'm still confused and ill
relief - relief, I wish there was a pill
cuz all I do, yes *all* I do is try *so hard* to get better
but see, people like a freak show
they don't want to see a kid grow

go from fucked up to normal,
& on & on & on

& ON & ON!

so what is it provokes the voice that only spoke when family heirloom broke on a doorway?
it shoulda been my hand
I'm not a good man
I try so hard, *I try so hard* to be one
and so I look out to you
but, fuck I hate you too
you gave me everything I ever wanted
and see I like to watch things burn
and see what might return
a phoenix arises from the ashes!
& on & on & on

& ON & ON!

not everything can be light and bright and filled with colour
see, some things are just black and white and dead or duller
open up your windows and feel outside
the rain is falling steadily through the night
drops that constellate as one
take off all your clothes and run
run 'til you're good and gone
returning into nothing
it's like a rising sun:
gotta look away and back again to understand the changes that we're going through
it goes on & on & on & on
on & on & on & on
on & on & on & on
on & on & on & on
it goes on & on & on & on
on & on & on & on
it goes on & on & on & on
on & on & on & on
it goes on & on & on & on
on & on & on

FUCK FEELINGS

hey man you'll never hold that hand
like, never ever again
you're almost someone else now

Perfect
perfect as I want it to be
you were everything to me for a time...

Fuck no hard feelings
all I got is hard feelings, you know?
get so emotional after you go
and hope I'm not approachable
so?

la la la la la la la

Fuck no hard feelings
all I got is hard feelings, you know?
get so emotional after you go
and hope I'm not approachable
so?

(EAT SHIT) WE DID IT

thank you very much
thank you very much all
thank you very much
thank you very much
pack it up, pack it up, pack it up, pack it up (repeat)

eat shit, we did it
eat shit, we did it
eat shit, we did it
eat shit, we did it
eat shit, we did it
eat shit, we did it now
now I had enough

they made the right sound
and I started moving
when I was tuned out
and losing and losing

back it up, back it up, back it up, back it up

now

they turned the lights down
and just like a movie
we were the heroes
who killed all the meanies

back it up, back it up, back it up, back it up

eat shit, we did it
eat shit, we did it
eat shit, we did it
eat shit, we did it
eat shit, we did it
eat shit, we did it

now, enunciate and stand up straight

eat shit, we did it
eat shit, we did it
eat shit, we did it
eat shit, we did it

now I've had enough of it

WE MADE IT

Got a deal, signed it real quick
I didn't read it, no

I didn't think twice 'bout advice
I didn't need it, no

I said hand me that pick
and I wrote a little lick about my feelings
ya

I said one day, I'm gonna make it
one day I'm gonna make it
one day I'm gonna make it
fake it until I make it

we've got the rest of our lives
this is the first day of it
let's high five

we'll give all we've got

we've got the rest of our lives
this is the first day of it
let's high five
we'll give all we've got

how's it feel to be a big deal
I saw you made it
yeah,
well keep it light
that's alright
don't see no lettuce coming out of your pockets
nuh uh

but one day you're gonna make it
one day you're gonna make it
one day you're gonna make it
fake it until you make it

we've got the rest of our lives
this is the first day of it
let's high five
we'll give all we've got
we've got the rest of our lives
this is the first day of it
let's high five
we'll give all we've got

how's it feel
how you dealing with all of the loss?
hmm...

well that's life
it kinda rolls by and happens to you
'til it's not

but one day we're gonna make it
one day we're gonna make it
one day we're gonna make it
fake it until we make it

we've got the rest of our lives
this is the first day of it
let's high five

we'll give all we've got
we've got the rest of our lives
this is the first day of it
let's high five
we'll give all we've got

LET ME GET IT OUT

Basically I'm mad, worn out
let down and feeling sorry for myself
My crooked problems
what's the point
you watch me sit around and roll another joint
and you keep crying
yeah you keep crying
yeah you keep crying
but I keep trying and trying to tell you

YOU GOT SOMETHING BETWEEN YOUR EARS
LET ME GET IT OUT
YOU GOT SOMETHING BETWEEN YOUR EARS
LET ME GET IT OUT

Took what you had
tore it out
went through the pieces, took the best ones for myself
isn't it the best?
it's all the same
just take more chemicals to soak up all the pain
and you keep cryin'
yeah you keep crying
yeah you keep crying
but I keep trying and trying to tell you

YOU GOT SOMETHING BETWEEN YOUR EARS
LET ME GET IT OUT
YOU GOT SOMETHING BETWEEN YOUR EARS
LET ME GET IT OUT
NOW YOU GOTTA STOP WONDERING WHAT IT'S ALL ABOUT
YOU GOT SOMETHING BETWEEN YOUR EARS

you got something between your ears, let me get it out
now you must stop worrying so much what it's all about
yeah,
you got it

YOU GOT SOMETHING BETWEEN YOUR EARS!

SHADE TO SHADE

I forgot to say that I loved you all
I really felt it tonight
really lost myself
the Crowd was meaningless
the Crowd was pitiful
the Crowd was nothing like me, two faced and I fade from shade to shade to shade to shade

that just wasn't me admired by everyone
I was somewhere else, somewhere far away
far away from here, underneath a tree
an open field stretched for miles and miles and miles...

from shade to shade to shade to shade to shade to shade

'cuz everybody wants a freak
you know they're spiteful, hateful meanies
but I think I really love it sometimes
but you know I'm inconsistent every time

I'm two faced...

I face your face and fade from shade to shade to shade to shade to shade to shade...

YOU LOSER

anyone... anyone... anyone here?
we recognize you
we love you too
anyone... anyone... anyone here?
we watch you suffer
breaking your heart for nothing

YOU LOSER

YOU LOSER

TELL YOURSELF YOU COULD NEVER BE ANYTHING LIKE THE REST OF 'EM

YOU LOSER

anyone... anyone... anyone here?
we recognize you
we love you still
anyone... anyone... anyone here?
we watch you suffer
breaking your heart for nothing

YOU LOSER

YOU LOSER

TELL YOURSELF YOU COULD NEVER BE ANYTHING LIKE THE REST OF 'EM
YOU LOSER

Oh, you got any more of that older stuff from the 'two-thousands'?
the decade without a name
we'll take it anyway
how life is long
feels like forever ago since it started
we're two minutes in and they're already bored as hell
so fuck 'em

YOU LOSER
YOU LOSER
TELL YOURSELF YOU COULD NEVER BE ANYTHING LIKE THE REST OF 'EM
YOU LOSER

I NEED YA

I need ya
I need ya

IT COULD BE SO

I get up
and I get down so low I don't have no shadow
things gets rough, and I get mad
Lord help me I can get so sad

but I'm all good
you're all good
it's all good
oh, I know it could be worse
but It could be so, so, so, so, so much better than this

I'm all good
you're all good
it's all good
I know it could be worse
yeah...

I'm all good
you're all good
it's all good
I know it could be worse
but It could be so, so, so, so, so much better than this
but It could be so, so, so, so, so much better than this
